

TICA's World of Cats Breed Ambassadors

Breed Booth/Display Info

Thank you for your interest in participating at "TICA's Wonderful World of Cats" breed booths/exhibits. There will be vendors (manufacturers) in several buildings throughout the Fairgrounds. The cat show, is the main attraction in the Huntington Building.

In support of TICA, we will be offering **breed displays** that will give the public an opportunity to view the various breeds in the same locale as the show. Your participation in the **breed display** will give you an opportunity to **educate** and offer information to the public on your breed, as well as having an area to advertise and provide brochures, etc. The breed booths should have decorated booths that explain the history of the breed, their uniqueness, and various cat (pics) to show the colors and coat lengths and a sweet "bomb proof" cat in the booth available for interaction with the public. **Please confirm that we will have Pet Me Cat in the Breed Booths?**

There will be a 'list' on the KKCC website showing what breeds w/b presented – please include a web address if you want it posted – or an email – your choice!

Please note the free double cage provided for the Pet Me Cat must be used for that purpose. People may not use the space for grooming, additional exhibition or adoptable animals. (Pet Expo does NOT allow any 'for sale')

You must have a show entry(s) along with the Pet Me Cat. There must be an adult present at all times at the Breed Booth/Display areas.

Visitors will have the **opportunity to touch and feel the cats** (in the breed booths or Pet Me Cats) – **we will promote via Press Release**; enjoy the warm, suede body of a Sphynx, or the bristle-brush coat of an American Wirehair; or the smooth and tight coat and body of an Oriental. Marvel at the petite Singapura and Devon Rex, and be awed by the size of the Maine Coon, see and touch the pelt of the Bengal.

The Breed Booth will be given one free groom area for your display + one free cage for the PET ME CAT. Plus discount on competing cat(s).
